

St Denis Parish News

Introduction

We are reaching out to all the contacts that we have gathered at the parish to help us keep everyone up to date during these strange times.

Reflection

"I have seen yesterday, I know tomorrow" (King Tut). I have always been fascinated by these ancient words of the young pharaoh. It is a message of hope that all shall be well, possibly very soon. I wish you all, ALL THE BEST and I am praying that you all stay safe and well until we can gather again.

Father Anthony

Event: Sunday 17th May 2020

It is not possible to hold church services during the current pandemic but there are still many people in need both locally and around the world. Some of us are probably holding on to Project Compassion boxes or food and donations for St Vincent de Paul. This Sunday we are going to hold a drive by donation opportunity for the parish. Some of the parish council will be there to collect Project Compassion envelopes or boxes, accept donations for St Vincent de Paul and we might even have a parish collection basket for those who want to keep the parish finances ticking.

If you would like to join in and give us a chance to say hello then please drive up Roberts St between 1pm and 3pm on Sunday. We will be standing near the disabled car parking in front of the church main entry ready to take your contactless donations or to just say hello.

We hope to welcome everyone back to Sunday services soon but in the meantime we believe that our charitable works are more essential than ever.

For those who are able to continue donating there are some online options that you can consider:

Parish Resources

Parishes and Parish Priests have always been a face to face service but circumstances today are a long way from usual. Father Anthony has started ringing parishioners to check in with as many people as possible. If you would like a call or know someone who would love to hear from Father Anthony then please email current contact details to admin@stdenis.com.au.

In addition to this direct contact we have ramped up our online resources with more notices going up on our website <http://www.stdenis.com.au/> and each Sunday morning you can visit the website and participate in Mass online.

Our Facebook parish group has also expanded in members and content. This is a place for sharing our local parish news and all parishioners are invited to join <https://www.facebook.com/groups/1302786806404916/>

Pass it on

This is really just a quick introduction email and with the environment changing rapidly we will use this email, our website and Facebook to keep everyone informed as quickly as possible. Feel free to pass this email on to others in the parish and use these links to keep our email list up to date.
